Re: OPINION OF MARKET VALUE

Thank you for the opportunity to perform a rental market appraisal of your property situated at:

62/455A Brunswick Street, Fortitude Valley, QLD, 4006

When assessing the rental value of a property, we take into account factors that assist in leasing the property promptly. This includes comparison of similar properties, current vacancies and market trends. Obtaining a realistic rental value ensures that your property is let as quickly as possible for a better financial return on your investment. We have researched your immediate area for comparable properties to arrive at a price. We estimate the property would achieve a rental income of approximately \$520 per week.

It is important to note that this appraisal should be treated as a constructive guide and the right marketing process and timing of going to market will determine the maximum price you could achieve.

If we can support you with anything in the future, please feel free to contact us on 133 911. Alternatively, we welcome you to come into our office for a coffee and a chat at any time.

Kind regards,
